Mrs. Bauer said that he was such a pleasure to have last year that the original 2 weeks were extended to 4 and that this year they have arranged to again have him for the longer time. Mrs. Johnson told that Isaac Barrows was a descendant of the Rev. John Rogers, the first Protestant Martyr of the English Reformation who was burned at the stake in the Smithfield Market Place in 1555. Sgt. Barrows had two ancestors who came to America on the Mayflower: Thomas Rogers and Stephen Hopkins. Stephen Hopkins had been in Virginia in 1609. He returned to England and two years later returned on the Mayflower as Navigator. Knowing the Indian language he acted as interpreter.

The bronze plaque was a gift of Mrs. Johnson. It was placed at the graveside of Isaac Barrows by his great-great-great grandson, Donald Peck. The dedication service was given by Mr. Wilson.

Mrs. Leslie M. Reid, Regent of the New Bedford Chapter DAR, conducted the rites which she had arranged.

Isaac Barrows was a private on alarm from the Massachusetts Soldiers and Sailors. While serving on call, he did so with the rank of sergeant, serving a few days at a time with such outfits as David Nye's 14th Company, Plymouth County Regiment; in Rhode Island; with Captain Nye's Wareham Company; and in Dartmouth.

The invocation was by Mrs. Reid and the benediction by Mr. Wilson.

CHESAPEAKE BAY CRAFT IN PORT

Visitors to the Mattapoisett wharf have been interested in a strange sailing craft that tied up last week and then left the water for a paint job. The craft is a broad beamed, large, centerboard type sailboat built like a giant skiff. The sides are straight up from a shallow V bottom. The planks are rugger timber. This seemingly ungainly vessel is reported by her owners, Mr. and Mrs. Carl Beam, to be a very good sailer. They are cruising in her for their summer vacation. Both Beams are professors at Brooklyn College and Brooklyn is their winter home and home port for the "Mamie Mister". She was built in 1910 and engaged in the Chesapeake Bay oyster trade until the Beams acquired her. Mrs. Beam said that they have been told that less than 40 of these

boats remain afloat. Chesapeake Bay fishermen are required by law to fish under sail as a conservation measure. At sea, she is reported to be an extremely comfortable boat. The deck is broad and roomy. In port, she leaves a little to be desired in a certain lack of headroom. The Beams enjoy her in port and out and express admiration for this particular port. They expect to return to Mattapoisett to enjoy the beauty of its unspoiled harbor and village.

PROCLAMATION

Mattapoisett Selectmen have proclaimed the fourth Saturday of each September as Mattapoisett Hunting and Fishing Day. They urge all citizens to join with sportsmen-conservationists in a rededication to the wise use of our natural resources and their proper management for the benefit of future generations. They also urge all citizens to visit sportsmen's clubs on Mattapoisett Hunting and Fishing Day to learn more about conservation and outdoor skills.

Separate Negotiation?

Editorial, D.C.J.

Candidate McGovern's lack of judgement is rapidly becoming the most well-known facet of his personality. No man in recent political history has made apparent snap decisions of such poor quality. The latest, an attempt to circumvent the government negotiations with the Vietnam enemy is a disservice to the country. It is now inconceivable that the Communists will come to any agreement with our government while McGovern stands a chance to be elected president. A man so eager to make a doormat of himself should have a chance to do so (from the Viet Cong point of view).

VISITOR FROM BRAZIL

Mr. and Mrs. George Correa of 104 Fairhaven Road, Mattapoisett, have the pleasure of hosting their friend of many years, Mrs. Violet N. Leal of Sao Jose dos Campos, Sao Paulo, Brazil.

She is the widow of Brigadier General Oswaldo Leal of the Brasilian Air Force, and a graduate of M.I.T., Cambridge, Mass., in the Department of Aeronautical Engineering. Subsequent to his graduation, Brigadier General Leal, through his ingenuity and cooperation with other authorities, conceived and founded the Aeronautical Institute in Sao Jose. In memory of his efforts in behalf of the Institute, the Institute gives to the Summa Cum Laude student, the Brigadier General Oswaldo Leal solid gold medal.

Mrs. Leal is also visiting her oldest son, Oswaldo, Jr., who is a graduate student at the University of Chicago in Political Science. Mr. Leal and his wife Sonia are the parents of a son, Guilherme, born April 26, 1972.

Her other son, Victor, is an engineer with Philco of Brasil as manager of the transistor Factory. He and his wife, Lucia Helena, are parents of 4 children.

DEMOCRATIC COMMITTEE TO HEAR CANDIDATES

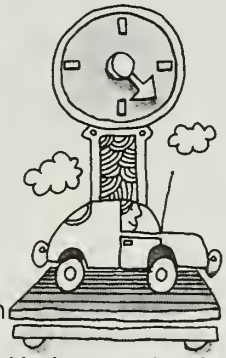
The Mattapoisett Democratic Town Committee will meet this Thursday, August 24th, at 8:00 P.M. in the American Legion Hall to hear several candidates for State and County positions.

The speakers will include a candidate for Sheriff, Ralph Ruggerio; and two candidates for State Representative, Leonard S. Marks and Arne Erickson.

Anyone interested in hearing these men speak on their qualifications and the issues is welcome to attend this open meeting.

The Plymouth-Home rate reducing plan.

Our New Automatic Transfer System Can Reduce the Rate of Your Automobile Loan.



With the cost of cars—and living—going up, it's about time a bank reduced the cost of living it up!

One of the best features of our new Cash Control Account is an automatic transfer system that can pay your car loan every month right from your checking account. No fuss, waste of time, or even the expense of a stamp. (And stamps keep going up, too!) It also saves us time and money in the processing of your payments. That money we save is returned to you in the form of reduced rates. So turn your checking account into a Cash Control Account by having your loan payments made automatically.

Come into any of the Plymouth-Home offices throughout Plymouth County and ask how our "Rate Reducing Plan" can save you money on that new car or any installment loan. It'll be well worth the visit... and that's something you can count on.

PRESTO COVER ART ON DISPLAY AT MUSEUM

Charles Mendell, curator of the Mattapoisett Historical Society Museum, is shown arranging originals of art work which has been used on the covers of the Presto for the past 19 years. The Historical Society is mounting the show which began Tuesday. Tonight, Wednesday, a reception will be held for the publisher, Donald C. Jason, and Mrs. Jason. The show is featuring work in oil, watercolor, wash drawing and conte crayon. The scenes are predominately local with landscapes and seascapes of Mattapoisett, Marion, Rochester and up and down the coast of New England. In addition to the originals, many actual covers will be

Events, such as the 1954 hurricane, had a hand in the rapid rearrangement of our scenery. The wash drawings were done for reproduction and have a sharpness and contrast that is different from drawings done for wall decoration. More than 50 paintings and drawings will be shown together with a few whaling photos by Albert Cook Church from the Presto collection. These, with the Presto covers, will provide an interesting look back into our recent past and an opportunity to see covers in the original.

Museum hours are 10 A.M. to noon and 2 to 4 P.M. Tuesday thru Saturday, in addition to tonight's reception from 7 to 9. The show will be through this week.

The exhibit was arranged by Mr. Charles Mendell, curator; Mrs. Harry Locke, Mrs. George Avilla, Miss Jessie Peacock, Miss Dorothy Fox, Mrs. Mendell and David Kelley. The plans and refreshments for the Wednesday evening reception are in charge of Mr. Avilla, the president of the Society; Mrs. Avilla, Miss Mildred Jones Keefe, Mrs. Robert Humphrey, Mrs. Susan Hoyt, Mrs. Winfield Jenney and Mrs. Harry Locke.

THREE EVENTS AT MYC

Three events, totaling 10 races, held last week at the Mattapoisett Yacht Club, put these names in headlines: Peter McGowan, Phil McCarthy, Arthur Blackburn, Harvey Pentleton, Billy Mee and Susan McGowan (the latter two credited with two wins each for Saturday).

AUGUST JUNIOR SERIES

First came the third in the August Junior Series on Wednesday, August 16th. Peter McGowan and Phil McCarthy sailed to Beetle Cat victories in an 11-boat double header.

In a close ending in the first race, Peter McGowan skippered Hep Cat to a 0:15 win over Phil McCarthy's Wolf. Carol McCarthy's Blue Cloud finished 31 seconds later.

In the second race, Phil McCarthy won rather handily for first, as did Heather Briggs' Eeyore over Carol McCarthy for second.

WEDNESDAY EVENING SERIES

In contrast to last week's turbulence, the cancelled third race in the Evening Series was resailed Wednesday, August 16th, at 6:30 P.M., with gentle SW breezes mostly under five miles. Unlike the weather, the action was swiftly moving and lively paced.

In the two classes competing, Arthur Blackburn and Harvey Pentleton were the winners.

The Course for both Corinthians and Beetle Cats was the same: to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, starting and ending in mid-harbor.

In the Corinthian race Arthur Blackburn at the helm of Escape got off to an excellent start with Billy Mee in Irish Eyes not far behind. And so it went to the end of the triangular course. Don Desautels' We Seven came in third.

The Beetle Cat contest was a very competitive one. The highlights: Susan McGowan's Hep Cat in the lead, losing it, regaining it, a luffing match midway, and then the inside overlap that gave Harvey Pentleton's Swamp Fox the decisive impetus. Phil Mc Carthy was in there all the way, also, and surged forward on the last part of the last leg to pass Hep Cat. The final line-up then became: Swamp Fox, Wolf and Hep Cat.

AUGUST SENIOR SERIES

A full schedule marked the final event of the week, the August Senior Series held Saturday, August 19th. Thirteen boats in two divisions, three races slated in each, vied for top honors. Billy Mee and Arthur Blackburn won for the Corinthians and Susan McGowan and Harvey Pentleton for the Beetle Cats.

Clear skies and shifty, unstable NE-E winds of 5-10 mile velocity prevailed throughout the afternoon.

Identical 4-legged courses, starting and ending in mid-harbor, were assigned to the five Corinthians and nine Beetle Cats: (1) to Ned's Point MYC guide buoy, to Barstow Rock Red Nun 6 and to Red Nun 4; (2) to Mattapoisett Neck MYC guide buoy, to Ned's Point MYC guide buoy, and to Crescent Beach MYC guide buoy; (3) to Crescent Beach MYC guide buoy, to Ned's Point MYC guide buoy, and to Sunken Ledge Black Can 5.

The first two Corinthian races followed a fairly similar pattern with Billy Mee in Irish Eyes besting Norman Shachoy's Blue

Chip by a margin of 01:03 and 0:30. Art Blackburn's Escape and Don Desautels were third.

The last Corinthian contest saw Billy Mee again quickly crossing the line, but this time there was quite a different ending. At the first marker Escape began to surge ahead and continued on to open up a substantial 01:14 lead, Blue Chip trailing Irish Eyes by 45 seconds.

In the first Beetle Cat race it was Sue McGowan, with little interference, all the way, scoring by almost three minutes. But not so in the contention for second and third. For a time David Jenney in Ariel seemed to be securely headed for second place, as Jimmy Barnes in Gay Lee Ann II and Harvey Pentleton in Swamp Fox dueled it out for the third spot. Then on the last leg, Swamp Fox started to gain momentum, passing Gay Lee Ann II, now abeam of Ariel, and finally over the line by only a foot, to place second.

The next Beetle Cat race began with Pat Muldoon taking advantage of the down wind start. Soon, however, the boats closed in and it looked like anybody's race. Then Swamp Fox rounded the first marker out front, only to fall back as Hep Cat took command, followed by Ariel, Wolf and Pat Muldoon's Slainte This grouping continued for two more legs. Nearing Crescent Beach MYC guide buoy, Swamp Fox got a good lift and was on the move, coming in 21 seconds behind Hep Cat, with Wolf 0:25 astern.

The last Beetle Cat race, like the other two, was one of seesawing positions and close maneuvering. Dave Jenney led at the start and throughout the first leg. At the marker Swamp Fox caught up, but as the ever fickle wind dropped down Hep Cat and Wolf began to challenge. Unpredictively, the wind picked up again, and Swamp Fox went on to win. A minute and a half later, Hep Cat outsailed Ariel at the finish by only one second - Sue, 45:25; Dave Jenney, 45:26.

A SPECIAL NOTE ON ALMITRA

Over the past few years Almitra has seen many good people. Some are very special to us. This Friday night we would like to declare Sali Jones Night to show publicly how much we appreciate all her efforts.

Please come and help us make this a truly fine coffeehouse for all concerned.

M.L.S.

GIRLS' SOFTBALL LEAGUE

The Mattapoisett Girls' Softball Team played Bourne August 17th and came from behind in an exciting 10-8 victory.

Kate Bauer was the winning pitcher. Pauline Lemieux caught her first game for the team and did a creditable job.

Kim Dennis and K. Bauer each had a triple and Liz Glennon, Lynne Goodwin, Kathy Cardoza and Carol Gingras had doubles.

These girls are host to the Bourne team Thursday night, August 24th, at the Center School. Game time is 6:00 P.M.
